### Press Release:

**Lichtundfire** is pleased to present and welcomes all to an Exhibition Walk Thru and Reception for OUT OF BOUNDS, an exhibition with work in various media, featuring photo-based work while also including work that, either with materials, or subject-matter, or size, surprises in an unexpected, predominantly abstract or abstracted way.

The artists in this exhibition go with their work beyond the mold of the expected with their genre, medium or technique, and beyond the individual categories ascribed to their process/es.

OUT OF BOUNDS, brings photo-based work into focus with intimate, minimalist black and white landscape compositions by Jon Tobiasz and abstracted closeups of rock formations by Sandra Gottlieb. It connects to Francesca Schwartz's work that uses photographic processes as part of a complex mixed-media practice and reaches across the mediums to mural-size oil paintings by Sarah Peterson that represent a view through the lens of a microscope and into the realm of histology on a macroscopic scale.

In this exhibition, every single one of the tight group of artists exceeds the boundaries and limitations of a particular medium with his or her own individual practice — a uniting factor that brings them together, both conceptually as visually. Their work reminds us that categories are often fluid and that concepts can transcend a specific medium and may lend themselves to a fresh view and an unexpected perspective of what seems to present itself.

About Lichtundfire:

LICHTUNDFIRE was established in 2015, with a visual program emphasizing nonrepresentational, conceptual, and abstract art; especially minimal, color field, geometrical, straight edge, abstract expressionist painting, lyrical abstraction, and process work in all media, as well as abstracted representation.

By its exhibitions, Lichtundfire's program is dedicated to developing and nurturing an active, engaged, progressive, and emancipated art community that addresses cultural and social realities as expressed through visual arts.

Beyond its carefully curated visual program, Lichtundfire seeks to actively connect with other parts of the creative community, especially in the field of poetry, literature, philosophy and Critical Theory.
